## Description

- Beginning tentatively mid-September 2014, US 51 traffic will be switched onto the new northbound and southbound lanes separated by a median and will remain there.
- The Linde Fields Soccer Complex will be accessible via Portage Road, Mueller Road, Windsor Way and the new County V.
- The temporary intersection at Windsor Way will remain open to both northbound and southbound US 51 as an alternate access to Windsor and the soccer fields.
- Construction activities will continue on the County V roundabouts and new North Towne Road.
- There will be a detour route in place for the County V closure utilizing County I, DM and C.
- The temporary Holum Street intersection with new US 51 provides an alternate access point to US 51 from DeForest and DeForest from US 51.
- Please be alert and follow all traffic control when traveling through the project area, because configurations and activities change regularly.
